The Brewer Company announces agreement with Novation

The Brewer Company is pleased to announce a new agreement with **Novation** for exam room furniture and equipment. Effective **May 1, 2011, through April 30, 2014**, this contract provides **VHA, UHC, and Provista members** with innovative, high quality, competitively priced procedure tables, power exam tables, exam tables, seating, lighting and support products including instrument stands, step stools, hamper stands, waste receptacles, and overbed tables.

About Novation

Founded in 1998, Novation is the leading health care supply contracting company for more than 25,000 members of VHA Inc. and the University HealthSystem Consortium (UHC), two national health care alliances, and 5,500 members of Provista, LLC, representing 28,000 sites. Novation provides alliance members contract and price management services in addition to spend management services. Based in Irving, Texas, Novation develops and manages competitive contracts with more than 600 suppliers. VHA, UHC and Provista members used Novation contracts to purchase nearly \$40 billion in 2010.

About The Brewer Company

Located in Menomonee Falls, WI, The Brewer Company leads the industry in innovation with its comprehensive line of power tables, exam tables, seating, lighting, and support products.

The Brewer Company is known for creating intelligent and innovative furnishing solutions that advance healthcare. Brewer's product development methodology uses the "Voice of the Customer" foundation to ensure that customer needs are met with each new product introduced to the market. The company's products focus on unique features that increase the safety, efficiency, and comfort in the health care environment.
