Brewer Access High-Low Wins HIDA's 2006 Product of the Year

The Brewer Company was awarded the Health Industry Distributors Association (HIDA) Product of the Year for 2006. The award was presented to Brewer at the opening session of HIDA in Chicago, IL on September 20th, 2006.

The **Brewer Access High-Low** premiered the first true chair to table design that easily and safely takes patients from consultation to examination. Plus, the industries only high-low exam table to offer abundant storage capacity with Brewer's Signature Pass-Through Drawer System, Safety Grab Bars, a Pass through Work Surface, and a 450 pound weight capacity.

Jeff Beischel, CEO of **The Brewer Company**, accepted the award stating later, "We are very proud to receive this industry award recognizing our innovation and leadership in the table marketplace" He went on to say, "Our methodology to design remains the same and has been the cornerstone in the success of our entire table line. We listen to the customer and design the product around their needs".

Brewer has been a leading manufacturer of medical equipment for over fifty years. Based in Menomonee Falls, Wisconsin, Brewer's complete product line includes the Assist Power Procedure Table, Access High-Low Exam Table, Access Exam Table, Basic Exam Table, seating, exam and procedure lighting, IV and instrument stands, carts, waste receptacles, and assorted support products.
